U K PUBLIC SCHOOL

ABOUT US

U K PUBLIC SCHOOL is private English medium co-educational school, established, owned and managed by Darul Falah Educational And Welfare Trust's.

The U K PUBLIC SCHOOL is a constantly evolving learning platform, which is mainly focused on academic excellence and all round development of the child.

At UKPS, we instil holistic education in our students through our vision and mission with value based education. We provide high quality academic curriculum along with varied extracurricular activities to ensure that education is not only fun- but also well balanced and suitably challenging for all.

WHY US?

vision

We believe, ' INTELLIGENCE PLUS CHARACTER IS THE GOAL OF TRUE EDUCATION ' and hence our vision is to be a premier educational institution where we ensure delivery of comprehensive curriculum by comprising activities to enhance moral values and character building.

Mission

We emphasize in shaping young minds in to universal citizens who are well prepared to handle the future challenges with confidence and skills.we are committed to provide utmost personal care and attention towards each and every child and work towards their Holistic achievements. We foster caring and creative environment which focuses on social,emotional,physical and intellectual development of each child.

Motto

Our school motto is “ What we think, we become” ,.This simple message is very meaningful.The students of the school are trained to think in the right path and move ahead to become an asset for the nation.The school strives not just to teach the students to achieve success at school level but endeavors to make the children successful citizen.

From Chairman's Desk

"Education is for improving the lives of others and for living community and world better than you found it"

I deem it to be a matter of immense pleasure and honour for me to address you all through the website of U K PUBLIC SCHOOL. Believing in the Philosophy, that the best way to give to the society is to give a platform for children Education where Dreams can turn in to Reality and Firm roots can bloom in to Magnificent Trees. Education is the most powerful tool to bring desirable changes in our personality and also to bring positive changes in our society.

Dear colleagues, As the time is changing education needs to be seen with new eyes free from baggage of yesterday's characterization. MY VISION is to develop a school which encourages creative and free thinking where a child is free to ask fundamental questions, enquire and learn. The role of the school is not only to persue academic excellence but also to motivate and empower its students to be lifelong learners, critical thinkers and productive members of a dynamic global society.

It is very difficult in todays scenario to achieve the goal of complete development of our society. We will work together for the betterment of our new generation and I make dua to Almighty Allah to help us to achieve the success in this regards and to make our students future bright... AAMEEN.

From Principal's Desk

Dear Parents, Students, and Visitors:

Assalamu Alaikum Warahmatullahi Wa Barakatuh.

Welcome to the U K PUBLIC SCHOOL Website. As we embark into a new journey of growth and learning, we are more than certain that with the help of Allah (SWT) and your continuous support, we will be able to take our school to the next level. At our end, we shall continue working with you for the best interests of our beloved students and our community at large.

The U K PUBLIC SCHOOL School has been established with the twin goals of fulfilling our Islamic obligations with regards to worldly knowledge, as well as to provide our younger generation with clear spiritual direction in life. In short, we believe in achieving the best in this life as well as the best in the Hereafter.

Our vision is to work in partnership with our pupils, parents, and the community at large to create a positive and inclusive environment for high quality learning and teaching where everyone is valued and respected.

We provide a balanced environment focused on shaping children into leaders of tomorrow by offering comprehensive education through a developmental approach. The school environment promotes order, independence, a love for learning, a connection to the world and a sense of social responsibility.

Keeping the contemporary global and national context in mind, We, at UKPS, strive to make the pursuit of excellence a way of life; a habit. Our school is filled with enthusiastic students willing to learn, supportive parents interested in their children's education, and a dedicated professional staff committed to providing the students with a quality education and the most importantly very supportive and encouraging management that helps in achieving our goals and makes sure that we are not falling short of anything that is required in pursuit of excellence.

We welcome your participation and support during the school year. By working together, we will be able to reach our collective and individual goals. May we be guided and be provided great rewards for our children, both in this life and in the next and We encourage each child to give his/her very best in an attempt to realize his/her dreams. Ameen

INFRASTRUCTURE AND AMENITIES

LIBRARY

The spacious school library has extensive collection of 1500 books and it is the hub of intellectual activities and is rich in reading material and reference resources, which provide information and ideas that are fundamental to functioning successfully in today's information and knowledge based society.

COMPUTER LAB

With latest computer in a Local Area Network makes it an ideal place for the students to nurture their Information Technology skills with full time. UKPS School are instructed on the basics of computer use as early as Class I. Educational software is presented in a game-like format to entertain the younger students while they learn key concepts. faculties to assist the students and curriculum designed aptly for the students.

SCIENCE LAB

UKPS has an extensive science lab which provides an experimental foundation for the concepts introduced. Students enhance their learning by doing varied experiments which kindles their interest visually and kinesthetically. It enables the learners to familiarize themselves with experimental apparatus, scientific methods applied, and to make careful observations and draw conclusions in relation to the experiment.

MATH LAB

Math Lab provides opportunity for children to enjoy Mathematics, understand its basic structure, pose and solve meaningful problems. It enables the student to learn Mathematics with the help of concrete objects and to exhibit its relatedness with everyday life.

SMART CLASSROOM

All the classrooms are equipped with audio-visual digital facilities like smart Tv's and tablets .Our Smart Classroom solution is based on interactive ,rich multimidea content-enabled education system which illuminates abstract & difficult concepts with crystal clarity. Tablets are being used in classes which shift the classroom experience from the stage-on-a-stage approach to a more collaborative environment.

CANTEEN

Canteen facility is available to the students where hygienic and Quality food is served at reasonable rates.
